If an emergency breaks out, and this main entrance is blocked, how do we get out of here? 10 seconds, go!  <b>Keith:</b> uhhhhhhhh..... .... uhhh....  <b>Yixian:</b> Clock is ticking! 5... 4... 3....  <b>Keith:</b> Uhhh..... RIGHT! (Grabs the safety handout from this back pocket) Don't worry! I just picked this up at the door. It's a map of all the emergency exits in Grace!  <b>Yixian:</b> Wa, not bad... but (picks the handout of of Keith's hands) in an emergency, there's not enough time to search through this. We need to get so familiarised with it, until it becomes right at our fingertips.  <b>Keith:</b> Right... homework, guys! So Gracians, if you have not already gotten one of these, grab a copy on your way out.  <b>Yixian:</b> Yup! Let us be prepared for emergencies - anytime, anywhere.</p>

Every year, hundreds of believers take the huge step of faith to declare their faith for Jesus.</p> <p>Man, it is so inspirational to see an 80 year old grandma, with tears in her eyes, pumping her fist into the air, declaring over and over again, "Hallelujah! Hallelujah! Hallelujah!"</p> <p>Amazing! For those of you who have not been baptised yet, how would you like to take this step of faith? If you do, great news! Our Grace Discipleship Process is offering Level 100 equipping classes. This class is for those who are new to Grace, or are planning to be baptised, or to transfer their membership to Grace. It will give you a good foundation to Grace, and also the biblical basis to Christian life and a missional lifestyle.</p> <p>Come, and deepen your walk in a loving faith community, and register today! For more enquiries and to register, log on today to our church website.</p>

They are sharing life with the lost and broken, walking alongside their families, and just simply loving people for who they are.</p> <p><b>Keith:</b> Yes, and despite the trials and sacrifices, I believe the Lord has said, "Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me."</p> <p><b>Yixian:</b> Yes, imagine that. So Gracians, if your heart is stirred, and you too would like to find out more and be a part of this ministry, drop by their booths at the fellowship area or log on to our church website today.</p>

Churches have been targeted and bombed. it's just seems so hard to be a Christian these days.</p> <p><b>Clement:</b> Yes, it really isn't easy. But the good news is - we have hope! Back in the early days of the Christian church, they were badly persecuted too. But Paul wrote a power-packed hope-filled letter to the Thessalonians. And this helped to equip, encourage and built up their faith. Come to think about it, we have a Women of Grace Bible study coming up on that book! Why don't you sign up for it?  <b>Lynette:</b> Sounds great! So ladies, if you too would like to be equipped and strengthened for such a time as this, come join us for this course!  <b>Clement:</b> Sign ups begin today at our church website. So log on to find out more and to register.</p>
